Helping you to THRIVE in 2025

To be fully alive in Christ, being transformed from the inside out, living to reflect God's glory & bring His love to the world, & encouraging a continual process of growth & deepening our roots as we walk with and abide with God daily.

VERSE OF THE MONTH: JANUARY

So put away all malice, & all deceit & hypocrisy & envy & all slander. Like newborn infants, long for spiritual milk, that by it you may grow up into salvation. If indeed you have tasted that the Lord is good."
1 Peter 2:1-3
